

In a world of relentless attack on our personal information, ID Resolution's WRAP™ service provides "one stop" comprehensive support in the event of identity theft and fraud.

This program, which covers up to 7 immediate family members, offers assistance to those individuals who have had their personal information fraudulently used by identity thieves.

Experienced fraud resolution specialists can help resolve financial identity theft, criminal identity theft, and medical identity theft.

Victims of identity fraud will interact with one fraud specialist who knows the details of the case and who manages the case from beginning through final resolution.
