

Keep Your Workforce Healthy, Worry-free and Productive

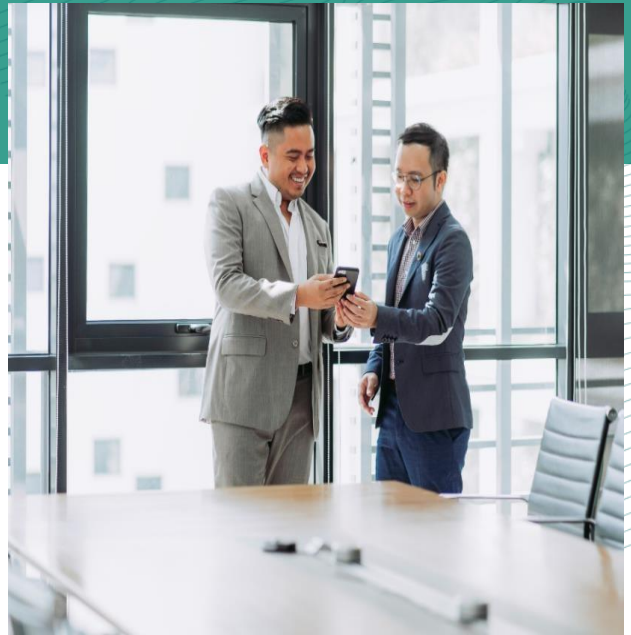

Live Doctor On Call

Hire and retain the best talent by providing lost cost healthcare service that's available 24/7/365 days a year!

Live Doctor On Call is your trusted partner to provide your employees and/or members with access to medical care around the clock, saving you money and keeping your workforce healthy. Employees and/or members can connect with a physician via telephone or video for medical consultations whenever and wherever they need care.

The American Medical Association

notes that 70% of doctor's visits can be handled by telephone. Live Doctor On Call gives your employees and/or members easy, streamlined access to board certified doctors via phone, email or video call 24/7.

Improving Access

With a dedicated, on-call physician or therapist, psychologist and psychiatrist at your disposal 24/7, our goal is to effectively address the mental health needs of every individual across America.

Reduction in Cost

For self-insured employers who want to continue cutting costs and managing healthcare expenses, Live Doctor On Call's virtual health and wellness can help afford this opportunity.

Reduce Absenteeism

A lightweight solution that gives your employees the freedom to check in with their doctors when it works for them. With no need to take time off work, they can recover faster and get back to work sooner.

Preventive Care

When we empower employees to take control of their health, it encourages them to be more proactive and gives them the tools and motivation they need to achieve their maximum potential.

Benefits of Virtual Health and Wellness to Employers:

- ✓ Improves access to healthcare for employees and/or members in remote locations
- ✓ Reduces employer costs related to employee and/or member doctor's office and ER visits
- ✓ Instant access to doctors cuts down on missed work time related to minor health issues
- ✓ Helps prevent minor employee and/or member health issues from becoming costly conditions
- ✓ Safeguards employers against the "Cadillac Tax" related to high health plan premiums
