

Live Doctor OnCall Lets YOU take the First Step in Seeking Support

Live Doctor On Call

We understand that you are still not ready, but we are here to listen. We are available 24/7/365 so whenever you feel like talking to us, just give us a call and we'll be here for you!

Virtual Counseling*

Consult with a Master's Degree Counselor. The amount of counseling sessions will be clinically appropriate based on the issue. This program is for short-term problem resolution, referral, and crisis intervention services.

Our Virtual Counseling Programs provide cost-effective answers to individuals with limited access to medical benefits or financial resources. In addition, our virtual counseling addresses a wide range of issues and offers timely and available services without an "out-of-pocket" payment to the individual.

Program Overview

Telephonic Counseling provides confidential, unlimited telephonic consultation, counseling and referral services for members including:

- 24/7 availability to Master's Degree Counselors
- No co-pay or fee to the member
- Immediate crisis support
- Supportive counseling
- 100% follow-up with original counselor
- Custom referral to medical or behavioral health plans.

Reasons current members use Virtual Consultation include:

- Death of a loved one
- Relationship issues
- Parenting issues
- Major Illness
- Substance Abuse
- Depression
- Stress and anxiety
- Workplace issues
- Change and transition
- Financial stress
- Trauma & PTSD
- Any reason that causes concern

*Counseling call centers are available 24/7 to assist with in-take information and advise on how to schedule your appointment with the counselor. Number of times you or a family member may call in for a different issue/problem is unlimited. Each issue will be handled separately, and the number of counseling sessions will be determined as clinically appropriate. This program is for short-term problem resolution, referral, and crisis intervention services. If you are experiencing an emergency, call 911, or go to your nearest emergency room.
